

The ERDF1-01B adjustable height legs support up to 264 lbs by having a robust 3-part lifting columns. Its universal and adjustable design allows you to choose your own desktop style to make your workstation your own. ERDF1-01b turns dumb desks into smart ones by being compatible with our ErgoFx app which allows you to control your desk by setting presets, customizable height recommendations, and standing reminders. ERDF1-01b also has a cable management bay that can house power bricks, cables, and a power strip. Inside the cable management bay, ERDF1-01B has a female power cord that allows you to connect a power strip for additional ports.

## Features

- Universal design accommodates desktops up to 47.2" - 78.7" wide and 23.6" -31.5" deep.
- The motorized lift columns are robust, quiet, fast, and compact.
- The anti-collision feature senses obstructions and stops movement to limit damage if a collision occurs during the operation.
- Bluetooth enables connectivity to the free ErgoFx app allowing you to control the desk, set presets, and receive standing reminders.
- Cable management bay that can house power bricks, cables, and a power strip.
- Female Power Cord in cable management bay for additional ports.
